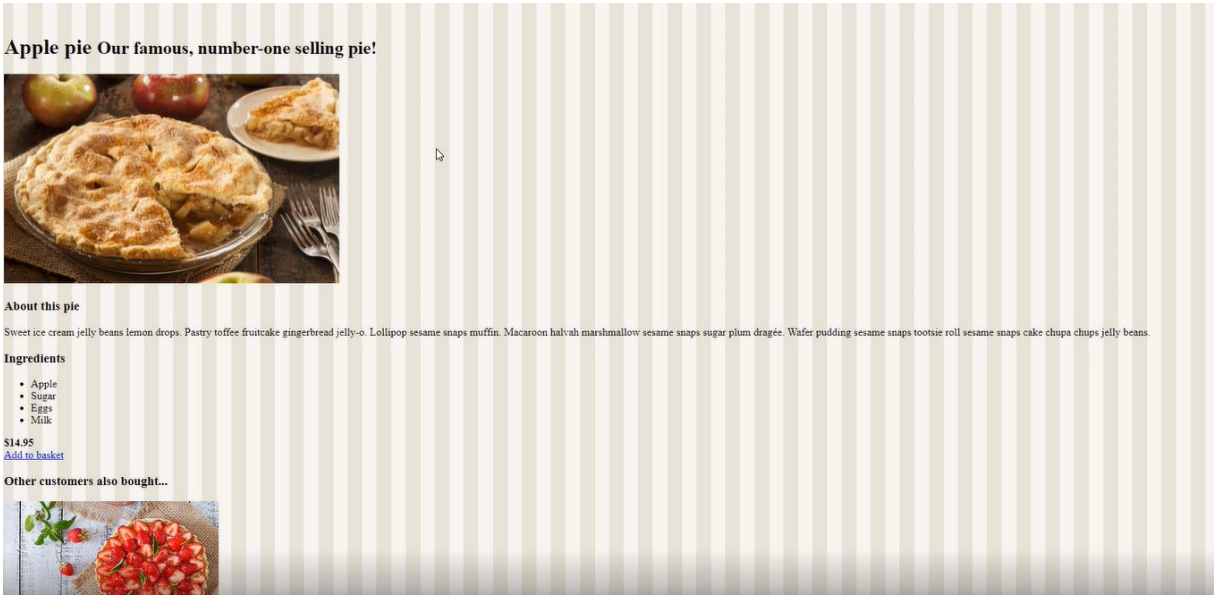
Task1:

- Adding Bootstrap via the CDN:
- Body style:
- Header: fw-bolder https://getbootstrap.com/docs/5.0/utilities/text/

Ausgabe:



Task 2:

- Alert component: class="alert alert-success mt-3”

Success! Apple pie was added to your shopping cart.

- Add : Other customers bought section:
- Apply Responsive

```
<h3>Other customers also bought...</h3>

            <div >
                <div>
                    <a href="applepie.html">
```

```
                    <img class="img-fluid"
src="images/products/strawberrypiesmall.jpg" alt="">
                </a>
            </div>

            <div>
                <a href="applepie.html">
                    <img class="img-fluid"
src="images/products/rhubarbpiesmall.jpg" alt="">
                </a>
            </div>

            <div>
                <a href="applepie.html">
                    <img class="img-fluid"
src="images/products/peachpiesmall.jpg" alt="">
                </a>
            </div>

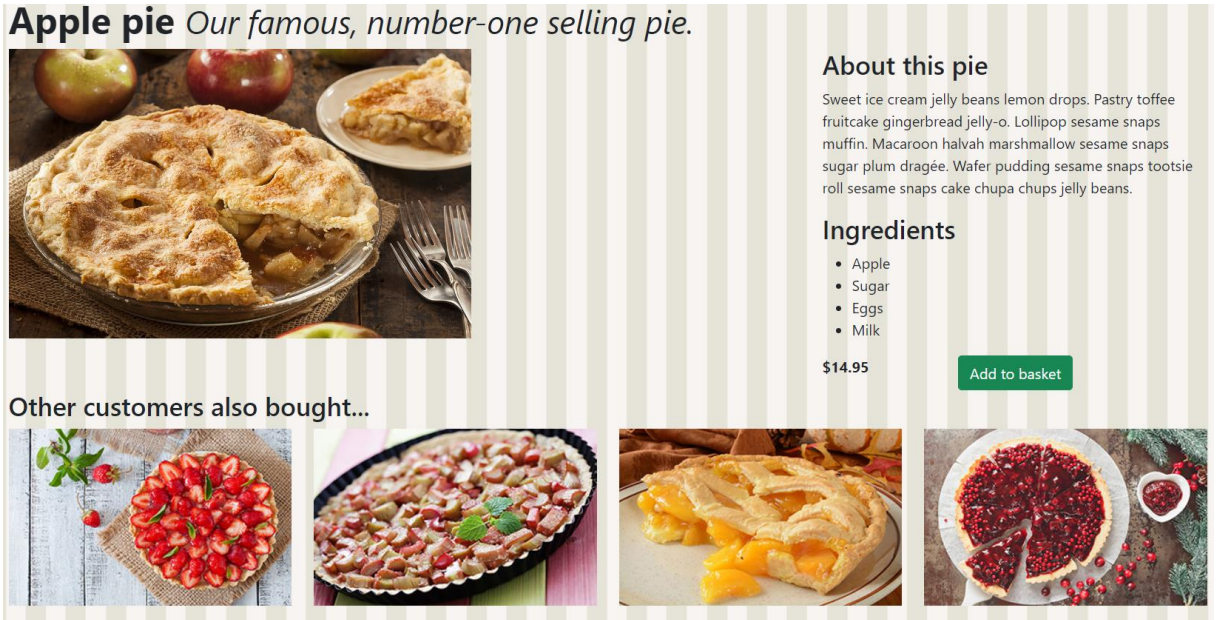
                <a href="applepie.html">
                    <img class="img-fluid"
src="images/products/cranberrypiesmall.jpg" alt="">
                </a>
            </div>
        </div>
```

Ausgabe:



Task 3:

- Add table for ingredients:
- rounded border table
- table responsive with scroll bar (left to right)
- use spacing

```
Table:

<div class="">
    <table class="">
        <thead>
            <tr>
                <th>Ingredient</th>
                <th>Risk</th>
                <th>Percentage</th>
                <th>Ingredient</th>
                <th>Risk</th>
                <th>Percentage</th>
            </tr>
        </thead>
        <tbody>
            <tr>
                <td>Apple</td>
                <td>Yes</td>
                <td>50%</td>
                <td>Apple</td>
                <td>Yes</td>
                <td>50%</td>
            </tr>
            <tr>
                <td>Eggs</td>
                <td>Yes</td>
                <td>10%</td>
                <td>Apple</td>
                <td>Yes</td>
                <td>50%</td>
            </tr>
            <tr>
                <td>Nuts</td>
                <td>Maybe</td>
                <td>&lt;0.1%</td>
                <td>Apple</td>
                <td>Yes</td>
                <td>50%</td>
            </tr>
        </tbody>
    </table>
```

```
</div>

Bethany's quote:
<div class="">
    <h4>A quote from Bethany</h4>
    <p class="">My recipes have been in our family for generations. We hope
you enjoy our
        pies! -
        Bethany
    </p>
</div>
